

## **Broome Parish Council**

Broome Parish Council is seeking to recruit a clerk to the Parish Council.

Tanya, our current clerk, wishes to relinquish the role due to other full time work and domestic pressures.

Broome is a small parish. The Council meets 4 times a year plus the annual parish meeting. Planning is dealt with by a rotating sub committee and the Council also operates the Lengthsman scheme.

The post would ideally be filled by someone who is already clerk to another parish council, preferably in Wyre Forest, as much of the correspondence would then be duplicated, thus reducing the additional workload

Anyone interested should in the first instance please contact Don Billington, Chairman to the Council, for more details of the role and to discuss possible working arrangements and remuneration

Don Billington. Chairman Broome Parish Council
