

The 2nd Parish Conference! - For all Worcestershire Parish and Town Councillors and Clerks

We would like to invite you to the second Parish Conference. It will be on 16th November 2009 from 7pm until 9pm in the council chamber here at County Hall. The agenda reflects the top 3 issues/topics identified by you at the first conference;

1. From the HUB Jane Bowen will talk to us on the recent improvements to access the HUB, how to report highways issues and how calls are logged and dealt with.
2. Jennifer Taylor will give us an update on the Local Area Agreement and how Parishes can help achieve those outcomes.
3. Also from Worcestershire Partnership we have Peter Mackenzie-Shaw who will speak on funding available for Parish councils and how to access this funding using examples from the audience.

"Parish and town councils are an essential part of local government and play an important role in engaging with people and showing community leadership through the work of their councillors. We hope that these conferences will provide an arena for meaningful interaction on issues and topics that matter to parish and town councils. We would therefore welcome any suggestions for workshops or ideas for further content"
